

Clothes Pin Tag

Clothes Pin Tag is a great game for small to large groups. Your students will each receive 5 clothes pins that they have to put on their clothes. The purpose of the game is to obtain the most amounts of clothes pins from everyone else's clothing.

Supplies:

- Lots of clothes pins, we have hundreds of them at the church.
- Students that are willing to play

Instructions:

1. Explain to your students what the boundaries will be and what the rules are

Rules:

- You have to stay in bounds
 - No putting clothespins near your chest, crotch, or butt
 - When you have zero clothes pins, you have to sit down
 - There are no teams; it's every man for himself
 - If your clothes pins break, you will not receive a new one.
2. Have students line up in a single file, give them each 5 clothes pins
 3. Yell go; start the game
 4. Periodically withdraw kids with lesser amounts of clothes pins from the game. (For Example, tell the students: Anyone with less than 5 clothes pins is now out)
 5. Play until there is 1 dominant student, this process will happen sooner and keep students interests longer if you withdraw students from the game every so often
 6. Reward the winner!
